

How to install NeverLate in 4 easy steps

Takes less than 30 seconds. No terminal knowledge required.

~30 sec setup

- 01** [Click here to download NeverLate-Plaksha.zip](#) directly to your computer.

 NeverLate-Plaksha.zip

02 Open Chrome Extensions

In Google Chrome, Brave, Arc, or Edge, type `chrome://extensions` in your address bar and press Enter.

 `chrome://extensions`

03 Enable "Developer mode"

Look at the **top-right corner** of the Extensions tab. Switch the toggle on for **Developer mode**.

Developer mode ☒

04 Drag & Drop the ZIP (Fastest!)

Simply **drag and drop** the downloaded `NeverLate-Plaksha.zip` straight onto the `chrome://extensions` window. (Or unzip and click **Load unpacked**).

 Drag & Drop ZIP

05 Pin to Toolbar & Open Plaksha LMS

Click the puzzle icon () in Chrome's top bar and pin NeverLate. Next, visit `lms.plaksha.edu.in` to log in. That's it—NeverLate syncs automatically!

 Pin NeverLate 

PRO TIP

Dragging and dropping the ZIP onto `chrome://extensions` installs it in 1 second. Once installed, NeverLate updates your deadlines automatically whenever you open Plaksha LMS.
